## ABOUT THIS EVENT

Germany – land of bureaucracy and taxes? Sometimes it might feel this way, especially if you only recently finished your PCS and are new to the area. This Brown Bag Luncheon will give you helpful information on how to navigate the tax code, what to consider when you want to stay in Germany as a retiree, what expenses need to be reported, what you have to look out for when you are a spouse and opening your own business and much more. We would kindly like to invite you to this event.

Join us for an interesting talk, ask our experts about tax issues and mingle with likeminded entrepreneurs and business-oriented Americans and Germans.

Our experts will include Annette Jausel, an international tax advisor and a Managing Director at RFP Steuerberatung GmbH, and Susanne Lang, a Managing Assistant at RFP.

The luncheon is part of an ongoing German-American discussion about how to build a start-up community in the region and how to support Americans and their businesses and business ideas.
